

First Person on the Scene of an Accident

This Driver CPC course is 3.5 hour and has been written by Driver Link Training with the Qwizdom system integrated within the course for a more enjoyable experience. The course itself is designed to give drivers a useful insight as to what to do if they were the first to attend the scene of an accident, and also learn some extra life saving skills as well.

Qwizdom is an award-winning developer of interactive learning solutions that enhance presentation deliverability and user engagement. Driver Link Training have the exclusivity to use Qwizdom, KGS Recruitment Services are an approved consortium member so it stretches out to them. The Qwizdom has become a useful learning tool, which will enable the course delegates to get the best out of the course.

This course will give you the knowledge to act with confidence in an emergency.

However, there will be time for questions to be asked during the course, if you want to know more.
